Comments	<p>Hi I came across your site when looking for information about my husband's grandfather, John Reid, who was born in Stonehouse & died in 1918, drowned off Southampton. I believe there is a memorial in Stonehouse with his name on it. Our information is very scant because his daughter, Helen, my husband's mother never knew him. She was brought back to Ireland after the war. She is still alive, aged 99 and I would love to know if you have any information on John.</p> <p>Regards Jean Elliott N Ireland.</p>
