

Private Roy Reid

*1st Batt. West Yorks,
D Coy.*

Died of wounds in France,

1st December, 1917.

Aged 23,

Youngest Son of Mr. and Mrs. William Reid.

*Sad were our hearts when he marched away,
And hard was the blow we received that day,
Telling us plainly as the tear dimmed our e'e,
Dear Roy on earth no more we would see.*

*In the bloom of his youth died our dear son,
Slain in the night by the ruthless Hun;
No burnished coffin enclosed his breast,
In martial garb he was laid to rest.*

*Holm Farm,
Stonehouse,
Lanarkshire.*
